

Fee reduction for students at the Scandinavian School in Maputo

Background

The Scandinavian School in Maputo offers limited financial support to those students/pre-schoolers who cannot acquire teaching in a Scandinavian language and due to financial restrictions are unable to become/stay students at the school. This financial support has been established to contribute to being a school for all children with a Scandinavian background.

Application/Documentation

Parents who wish to apply for the financial reduction of student fees must submit the following information:

- Proof of the need for financial support.
See form (salary details (gross and net), tax information with wealth and property information, any schooling support from an employer, accommodation and car expenses and any other related documents).
- Number of children at the Scandinavian School.

General info about financial support

Reduced fee is given regardless of state affiliation and permanent residence address. Individual students may be granted a reduced fee, but never more than 50 % of the fee. The reduction must be applied for every year.

Application

The application form is obtained at the school administration or withdrawn from the website and must be submitted with complete documentation latest by the 30th of April. Students who wish to apply for fee reduction and start school on the 1st of January, must submit a complete application by the 30th of November.
