Education in the Scandinavian languages for adults

The school offers education in the Scandinavian languages for adults, depending on teaching resources. Applications made to the principal:

700 USD/semester 1 60 minutes hour/week. If a student starts in the middle of a semester, we charge 70 USD/week and 60 minutes hour.

The annual school fee is to be paid in two parts; 60% before the start of the fall semester and 40% before the start of the spring semester.

- Students/kindergarten children starting after the start of the semester but before 1st of October or 1st of March pay full semester fee.
- Students/kindergarten children starting after 1st of October or 1st of March pay a reduced fee.
- Students/kindergarten children starting at spring semester pay 60% of school year fee.
- Students/kindergarten children leaving the school during semesters pay full fee. Exceptions will only be made if the school is informed of the departure, in writing, before the start of the semester.
- Students/kindergarten children leaving after 1st of May or 1st of December will get no reduction of fee.
- The principal may grant monthly payments.

Scholarships

Swedish students at schools abroad can apply for scholarships from Utrikeshandelsföreningens Stipendiefond för svensk utlandsungdom.

The school does not administer applications for scholarships, but can assist with certifications when needed.

Terms of payment

1. School fees are paid twice a year, at the start of each semester.
See further point 5.
2. Payment for children that are registered after the start of the semester is done at the registration date and is for the remainder of the semester follows the rules outlined in the document *Läsårsavgifter*.
- 3 Invoices are in American dollars (USD) in accordance with the school fees that are decided by the Scandinavian school association's annual meeting. Parents are to pay the whole amount in USD to the account specified on the invoice. The principal may, if he/she deems it to be in the schools currency and liquidity interest, allow payment to a specified Swedish school account. In this case, the invoice will be made in USD and the transfer is to be made in USD. Hence, there will be no recalculation of exchange rates from the parents' or the school's viewpoint.
- 3.2 The full amount specified on the invoice must be available for the school at the given payment date. Otherwise a late payment fee of 10% will be added at the end of the semester. Grades will not be handed out until full payment is made. Payments from earlier semesters must be made before the child may start a new semester.
4. The school should strive to send out invoices at least thirty days before the payment date.
5. The principal may grant monthly payments.
