Consent to the publication of photos of your child on the school's website and Facebook
<http://www.skandskol.com>

The school's website should be a positive, self-evident and important source of information for parents, students and others who want to know more about the school or via pictures get an insight into everyday life. In order to be able to post pictures on the website and the Facebook page, we need permission from you as parents. You can always ask us to delete a picture that you do not want on the website for some reason. Our ambition is to use images that best describe aspects of the school's everyday life; pictures from the school environment where children are involved and pictures that reflect events or activities at the school. If you want to withdraw this consent for some reason, please inform the school in writing, either by email or letter.

With regards of the above, we would like you to comment on the following:

Yes. I give permission for my child to appear on photos at the school's website and Facebook page and that the staff can send pictures of my child directly to me.
